Researchers at Massachusetts General Hospital want to learn more about the short- and long-term effects of COVID-19 on our sense of smell.

## WE ARE RECRUITING INDIVIDUALS WHO:

- ✚ *have had a past COVID-19 infection, currently have COVID-19, or have never had COVID-19*
- ✚ are 18 years old or older
- ✚ have access to a device connected to the Internet
- ✚ don't get sick from fragrances (i.e. severe asthma attack or nausea)

Participants will peel and sniff odor cards, then answer questions about the odors once a week for 3 months. Each test will take about 5-8 minutes to complete. You will be compensated \$5 per completed test for a total of \$60.

Los investigadores de MGH quieren saber más sobre los efectos a corto y largo plazo del COVID-19 en nuestro sentido del olfato.

## ESTAMOS RECLUTANDO INDIVIDUOS QUE:

✚ *hayan tenido una infección pasada por COVID-19, actualmente tienen COVID-19, o nunca han tenido COVID-19*

- ✚ tengan 18 años o más
- ✚ tengan acceso a un dispositivo con conexión al Internet
- ✚ no se enfermen por fragancias (Ej. Ataque de asma severo o náuseas)

Los y las participantes despegarán y olerán etiquetas en tarjetas de olor y luego contestarán preguntas sobre los olores una vez a la semana por 3 meses. Le tomará de 5-8 minutos para completar cada prueba. Se le pagará \$5 por cada prueba completada para un total de \$60.
